Rent Payment Policy

Payment of rent must be made by check (personal or bank issued) or money order. We do not accept cash for rent, charges, or fees. Payment of rent may be made in person at our office or by mail to our Post Office Box. ~~Office hours are 1 p.m. to 5 p.m., Monday through Thursday and 9 a.m. to 1 p.m. on Fridays.~~ There is a slot in the front door of our office at 3643 Hwy 101 N. Gearhart, so that payments may be made at any hour. **No cash will be accepted, at all.** Office hours are weekdays 9 AM to 1 PM.

Rent is due on the day listed on a tenant's rental agreement. We will accept rent before that date. Law allows a four-day period for payment. It is considered late on the fifth day after due, and late charges will apply, as listed on tenant's rental agreement or lease. If rent is not paid by the eighth day after due date a 72 Hour Notice of Non-Payment of Rent will be issued. Rent is credited on the day received in our office, not by date on check, date mailed, or postmarked on envelope. Date received. Please contact us if you intend on being late. **We cannot accept post-dated checks.**

Any check tendered to us that is returned for Non-Sufficient Funds (NSF) is subject to a Returned Check Fee, as listed in tenant's rental agreement or lease. Once a check is returned to us we will not resubmit it to a bank. A tenant must immediately cover the amount of the returned check with money order, or cashier's check, plus a payment to us of the NSF fee. If the NSF check was for rent, then rent is not considered paid until the entire amount of monthly rent has been received in our office, and late fees will apply. We will accept personal checks after the first NSF check episode has been settled, however, a second NSF check episode will require all future payments made to us be only with money order, or cashier's check. We will not accept personal checks after second NSF check. Please keep in mind it is a criminal offense to knowingly tender a check over \$100 that will not clear a bank.

We understand that occasionally a need arises for a tenant to make a partial payment of rent, with the balance to be paid at a later date. We would appreciate a tenant in that situation to make contact with us, before rent is late, to make those arrangements. Our policy is that a partial payment of 50% or more of monthly rent will only be accepted, with the balance due no later that halfway through the rent period. Late fees for the entire rent amount will apply until rent is paid in full. A tenant that wishes to make partial payment of rent must come into our office to complete the necessary form. Partial rent mailed or delivered will be returned if a tenant does not complete our Partial Payment of Rent Form.

Please contact us if you will be having difficulty paying rent on time or in full. Open communication is the best course.
